有位擁有多個神祇的神祇將其建立起來的國家。
從前，有一天，祂為了找新娘一起前往地上，卻因此與一位凡人女子墜入愛河。

## The Road Not Taken
### by Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth,

Then took the other, as just as fair
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence
Two roads diverged in a wood, and I
I took the one less traveled by
And that has made all the difference.

In Memory of Ann's G

You will be attending the ladies' banquet this afternoon, so please wear this dress.

Ladies' bonquet?
All the ladies from the Finances sector will be joining
I've never been in one
Master knew Ms. Sumi wasn't accustomed to the high society's lifestyle before, so you must not refuse now
But being the Madam of Ijuin Finances, if you can't get used to it, you could say you can't go and you don't have to go

When Master Ijuin took office,
I was thrown out.
Including the people who were close to the former President were terminated too.
I'm sorry,
It's all because I...
Madam, you don't need to apologize to us!
However, we are hoping that you won't have to mention this matter to Mr. President!
I understand.

There's something I want to ask of you...
The truth is...

I want to help Mr Soichiro get back to Ashida Properties
Former President ?
That's right
This is something a thousand paper cranes can grant!

To reclaim the Ashida Properties,
Everyone, please lend me a helping hand!
I have finally found something I can do for Soichiro-kun.
I will work this out positively!
